# BAPTISM

More than just a nice religious activity but so much more - it's identifying with and entering into an action that was modeled for us by the God Man (Jesus Christ) Himself. By imitating Him, in being baptized you are saying this is my first step of obedience in a brand new way of existing – living as a citizen of God's Kingdom – a Passionate Pursuer of the Perfect One, Jesus.

**WHO IS BAPTISM FOR** - It is reserved for those who have already received Jesus, those who have accepted the LORD Jesus Christ as their personal Savior.

**WHY BE BAPTIZED** - Baptism is a command, being baptized is the first act of obedience a new Christian can perform.

**WHAT DOES IT MEAN** - Baptism is a symbolic representation of our salvation. It does not save us but is a picture of salvation. No one is saved (forgiven, given eternal life) by being baptized. I'm baptized to show everyone what really happened to me. I died as a sinner and was buried, and then I arose as a new person in Christ. The old is dead and buried-a new life in Christ begun. As a follower of the LORD Jesus you have chosen this new life in Christ and now want to publicly identify yourself with Him and His people.
